EXECUTIVE PROFESSIONAL SUMMARY

Accomplished entrepreneur and digital strategist with over 25 years of experience spanning hospitality operations, international finance, and AI-driven communications. Leveraging an MSc in Finance & Investment from Brunel University London, I specialize in the convergence of operational leadership and digital innovation. Proven expertise in developing AI-assisted workflow tools, high-impact branding campaigns, and multimedia engagement strategies.

CORE COMPETENCIES

- AI-Assisted Content Development
- Prompt Engineering & Workflow Automation
- Multimedia Content Production
- Multi-branch Operations Management
- Strategic Branding & Communications
- Cross-Cultural Leadership

PROFESSIONAL EXPERIENCE

Manager | Yellow Haven Lodge

2022 – 2025

- Directed daily hospitality operations and guest experience protocols, ensuring international service standards.
- Spearheaded the integration of AI-assisted management tools to modernize reporting and operational accountability.
- Optimized staff coordination and workflow systems, enhancing service delivery and customer retention.

Founder & Managing Director | Steak Out Bar & Restaurant

2001 – 2015

- Architected and scaled a market-leading hospitality brand, expanding to two major branches in Kampala and Entebbe.
- Executed comprehensive branding and promotional campaigns that defined the venue's identity for over a decade.
- Managed end-to-end business operations, including procurement, staffing, and high-level stakeholder engagement.

Founder | Grab & Go Food Delivery

2015 – 2020

- Pioneered a tech-driven food delivery model focused on logistics optimization and customer convenience in Kampala.

AI, DIGITAL & TECHNOLOGY PROJECTS

WachaAI (Venture Studio): Leading the development of AI-driven tools, including digital twins for education, AI Hotel Receptionist systems, and automated community utility payment solutions.

Digital Multimedia: Creator of the *WachaExperience* (TikTok) and *Deejay Dings* (YouTube) platforms, focusing on AI adoption and digital literacy.
